

PBIS
CREATES
A MORE EFFECTIVE
LEARNING
ENVIRONMENT
BY MAKING SCHOOLS
PREDICTABLE,
CONSISTENT,
POSITIVE,
AND SAFE.

Outcomes Associated with Implementation of PBIS?

Schools that implement PBIS with integrity have teaching and learning environments that measurably:

- **MAXIMIZE** academic engagement and achievement for all students
- Are **MORE** engaging, responsive, preventive and productive
- Are **LESS** reactive, aversive, dangerous and exclusionary
- **EQUITABLY** address classroom management, safety and discipline
- **IMPROVES** school culture, climate and supports for students whose behaviors require more specialized assistance

Sustainability

Sustainability is best assured when District's/LEA's include the following features within a 3-5 year systems change process:
